## OBJECTIVE

Driven by a passion for tech, I seek to apply my skills in any IT/Cybersecurity role where I can contribute to the organization's success. I am looking for an opportunity to leverage my expertise, grow within the company, and continually refine my skills while adapting to new challenges.

---

## EXPERIENCE

### Freelance Tech Professional

June 2025 - Present

- Active freelancer on remote platforms, providing IT support, bug bounty testing, and social media management.
